

SUPER SIGNAL™ GREEN

GREEN SPRAY PATTERN INDICATOR CONCENTRATE

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label at hand. Read label before use. Avoid breathing mist, vapors or spray. Do not get in eyes, on skin, or on clothing. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Dispose of contents/container to disposal plant in accordance with federal, state and local regulations.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or handlers of this product must wear: long-sleeved shirt, pants, shoes, socks, chemical resistant gloves and protective eyewear. Consult the SDS for further information.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

If On Skin: Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention.

If Inhaled: Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

GENERAL INFORMATION

SUPER SIGNAL GREEN is a concentrated green spray pattern indicator formulated to further reduce awareness of pesticide applications compared to ordinary blue spray colorants by providing a temporary green tint to treated areas. SUPER SIGNAL GREEN eliminates waste due to overlapping and skipping, while it indicates drift and mechanical malfunction.

SUPER SIGNAL GREEN is nontoxic.

SUPER SIGNAL GREEN dissipates with sunlight or moisture and will not permanently stain vegetation, soil or human skin. Accidental contact can be removed from skin with several washings of soap and water or Reduran® Dye Remover.

DIRECTIONS FOR USE

FOR USE WITH PESTICIDES REGISTERED FOR AQUATICS, FORESTRY, INDUSTRIAL, MUNICIPAL, NONCROPLAND, RIGHTS-OF-WAY, ORNAMENTALS, TURFGRASS AND OTHER APPROPRIATE USES.

USE RATES

Broadcast Applications: 16–32 ounces per 100 gallons (500–1,000 ml per 400 liters) of spray solution.

Hand-held and Back-Pack Sprayers: 1–2 ounces per 3 gallons (25–50 ml per 10 liters) of spray solution.

Turf or weed color, height, and individual water conditions, such as hardness, pH, iron content, etc., may dictate variations from the above-suggested rates. Sight adjustment is recommended. Test for required concentration before use and adjust as needed.

MIXING

In the absence of specific mixing instructions found on the pesticide label, fill the spray tank with at least 50% of the desired finished carrier volume. When premixing in a mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Compatibility agent, if needed.
2. Dry formulations (WP, DF, WDG, SP) and dry drift retardants.
3. Liquid drift retardants and flowable formulations (F and FL).
4. Liquid concentrates, suspension and microencapsulated (LC, SC, ME).
5. Emulsifiable concentrates (E, EL or EC).
6. Solutions (S), micronutrients, liquid or suspension fertilizers.
7. Adjuvants (COC, HSOC, MSO, NIS) and/or water conditioning agents.
8. Finish filling to desired spray volume level and continue agitation.

STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly and dispose of the container in accordance with federal, state and local regulations.

CONDITIONS OF SALE

Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
