PRECAUTIONARY STATEMENTS

Causes skin and eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or other handlers of this product should wear: long-sleeved shirt; long pants; socks; shoes; protective eyewear; and barrier laminate, neoprene rubber, nitrile rubber or Viton® gloves. Consult the SDS for further information.

FIRST AID

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

If On Skin: Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Take off contaminated clothing and wash it before reuse.

If Inhaled: Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

GENERAL INFORMATION

VIVAX TABS combine four surfactant technologies designed to improve water infiltration into and retain water throughout localized dry spots (LDS). VIVAX TABS work across a wide range of soils and turf types and are effective when used as part of a comprehensive water management program.

VIVAX TABS ARE DESIGNED FOR USE ON GOLF COURSES, ATHLETIC FIELDS AND RESIDENTIAL OR COMMERCIAL TURF, UNDER THE SUPERVISION OF GOLF COURSE SUPERINTENDENTS, PROFESSIONAL TURF MANAGERS OR PROFESSIONAL LANDSCAPE CONTRACTORS.

DIRECTIONS FOR USE

For best results follow application rates and techniques listed below.

APPLICATION TECHNIQUES

Remove the lid but do not remove the product from the container.

Place the opened container into the canister of a commercial in-line hose applicator with the opening of the container in the upright position or facing the flow of water. Secure the canister to the applicator and make the application. VIVAX TABS are engineered to remain in the container during the application.

USE RATES

One tablet covers approximately 12,000-18,000 square feet (1,115-1,672 m²) of turf. Water temperature, water pressure, application technique and storage conditions may cause coverage to vary. Each VIVAX TAB will last approximately 40 minutes.

STORAGE AND DISPOSAL

Store in original container only and do not reuse empty containers. Store in a cool location. VIVAX TABS containers should be disposed of in accordance with federal, state and local regulations. Do not store near heat or open flame.

CONDITIONS OF SALE

Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated hereon and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the Company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product shall be the purchase price paid by the user or buyer for the product involved.
